Independent Auditors' Report

To the Board of Education of
Wilmette Community Special Education Agreement

Report on the Financial Statements

We have audited the accompanying basic financial statements, as listed in the table of contents, of the Annual Financial Report Form of Wilmette Community Special Education Agreement, as of and for the year ended June 30, 2021, and the related notes to the basic financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Illinois State Board of Education described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Wilmette Community Special Education Agreement's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Wilmette Community Special Education Agreement's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1, the financial statements are prepared on the basis of the financial reporting provisions of the Illinois State Board of Education, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of the Illinois State Board of Education. The effects on the financial statements of the variances between this regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Wilmette Community Special Education Agreement as of June 30, 2021, or the changes in its financial position for the fiscal year then ended.

Opinions on Regulatory Basis of Accounting

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Wilmette Community Special Education Agreement as of June 30, 2021, and the changes in its financial position for the year then ended in accordance with the basis of accounting as described in Note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Wilmette Community Special Education Agreement’s basic financial statements, as listed in the table of contents of the Annual Financial Report Form. The following information listed in the table of contents of the Annual Financial Report Form as financial profile information, estimated financial profile summary, supplementary schedules, statistical section, estimated indirect cost rate for federal programs, report on shared services or outsourcing, administrative cost worksheet, itemization schedule, and deficit reduction calculation are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 9, 2021, on our consideration of Wilmette Community Special Education Agreement’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Wilmette Community Special’s internal control over financial reporting and compliance.

WILMETTE COMMUNITY SPECIAL EDUCATION AGREEMENT

NOTES TO BASIC FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED JUNE 30, 2021

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Wilmette Community Special Education Agreement (the "Joint Agreement") has been established as a result of a joint agreement with Wilmette Public Schools District 39 to provide special education programs to the students of the District. The Joint Agreement is a governmental entity established under guidelines provided by the Illinois State Board of Education and Illinois compiled statutes. The accounting policies of the Joint Agreement conform to the regulatory provisions prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles accepted in the United States of America, as applicable to local governmental units of this type. The following is a summary of the more significant accounting policies of the Joint Agreement:

Reporting Entity

Accounting principles generally accepted in the United States of America require that the financial statements of the reporting entity include: (1) the primary government, (2) organizations for which the primary government is financially accountable, and (3) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. The criteria provided in Government Accounting Standards Board Statements have been considered and there are no agencies or entities which should be presented with the Joint Agreement. Using the same criteria, the Joint Agreement is not included as a component unit of any other governmental entity.

A legally separate, tax exempt organization should be reported as a component unit of a reporting entity if all of the following criteria are met: (1) the economic resources received or held by the separate organization are entirely or almost entirely for the direct benefit of the primary government, its component units, or its constituents; (2) the primary government is entitled to, or has the ability to otherwise access, a majority of the economic resources received or held by the separate organization; (3) the economic resources received or held by an individual organization that the specific primary government, or its component units, is entitled to, or has the ability to otherwise access, are significant to that primary government. Blended component units, although legally separate entities, are, in substance, part of the government's operations and are reported with similar funds of the primary government. Each discretely presented component unit is reported in a separate column in the government-wide financial statements to emphasize that it is legally separate from the primary government. This report does not contain any component units.

Basis of Presentation

The accounts of the Joint Agreement in the governmental fund financial statements are organized and operated on the basis of funds and account groups and are used to account for the Joint Agreement's general governmental activities. This is in conformity with the regulatory basis of accounting as prescribed by the Illinois State Board of Education, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Fund accounting segregates funds according to their intended purpose, and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts that comprise its assets, liabilities, reserves, fund balance, revenues and expenditures or expenses as appropriate. The minimum number of funds is maintained consistent with legal and managerial requirements. Account Groups are a reporting device to account for certain assets and liabilities of the governmental funds not recorded directly in those funds.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (CONTINUED)

Measurement Focus and Basis of Accounting

The Joint Agreement has the following fund types and account groups:

Governmental Funds are used to account for the Joint Agreement's general government activities. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when susceptible to accrual, i.e., when they are both "measurable and available". "Measurable" means that the amount of the transaction can be determined, and "available" means collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Joint Agreement considers all revenues available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred. However, expenditures for unmatured principal and interest on general long-term debt are recognized when due; and certain compensated absences, claims and judgments are recognized when the obligations are expected to be liquidated with expendable available financial resources and pension expenditures.

Major Governmental Funds

Educational Fund - is the Joint Agreement's only operating fund it accounts for all of the Joint Agreement's financial resources.

Certain state and federal aid and interest on investments are susceptible to accrual. Other receipts become measurable and available when cash is received by the Joint Agreement and recognized as revenue at that time.

All Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and disclosure of contingent assets, deferred outflows of resources, liabilities, and deferred inflows of resources at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

Assets, Liabilities and Net Position or Equity

Deposits and Investments

State statutes authorize the District to invest in obligations of the U.S. Treasury, certain highly-rated commercial paper, corporate bonds, repurchase agreements, and the State Treasurer's Investment Pool. Investments are stated at fair value. Changes in fair value of investments are included as investment income.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (CONTINUED)

Receivables and Payables

Transactions between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds". Receivables are expected to be collected within one year.

Deferred Revenue

Governmental funds report deferred revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, there was no deferred revenue.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Budgetary Data

The budgeted amounts for the Governmental Funds are adopted on the modified accrual basis, which is consistent with accounting principles generally accepted in the United States of America.

The Board of Education follows these procedures in establishing the budgetary data reflected in the general purpose financial statements:

1. The Administration submits to the Board of Education a proposed operating budget for the fiscal year commencing July 1. The operating budget includes proposed expenditures and the means of financing them.
2. Public hearings are conducted and the proposed budget is available for inspection to obtain taxpayer comments.
3. Prior to September 30, the budget is legally adopted through passage of a resolution..
4. Management is authorized to transfer budget amounts, provided funds are transferred between the same function and object codes. The Board of Education is authorized to transfer up to a legal level of 10% of the total budget between functions within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the Board of Education, after following the public hearing process mandated by law.
5. Formal budgetary integration is employed as a management control device during the year for all governmental funds.
6. All budget appropriations lapse at the end of the fiscal year.

The budget amounts shown in the financial statements are as originally adopted because there were no amendments during the past fiscal year.

NOTE 3 - STATE AND FEDERAL AID CONTINGENCIES

The District has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under the terms of the grants. Management believes such disallowance, if any, would be immaterial.

| 1 | DEFICIT ANNUAL FINANCIAL REPORT (AFR) SUMMARY INFORMATION Provisions per Illinois School Code, Section 17-1 (105 ILCS 5/17-1) | | | | | |
| 2 | <i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2022 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i> | | | | | |
| 3 | The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell f11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years. | | | | | |
| 4 | - If the FY2022 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required. | | | | | |
| 5 | - If the Annual Financial Report requires a deficit reducton plan even though the FY2022 budget does not, a completed deficit reduction plan is still required. | | | | | |

INSTRUCTIONS/REQUIREMENTS: For School Districts/Joint Agreements

SINGLE AUDIT WORKPAPERS

In an effort to accommodate the increased reporting requirements for School Districts/Joint Agreements, the Single Audit workpapers are no longer required to be submitted by the Annual Financial Report (AFR) due date. School District / Joint Agreement Single Audits are due in accordance with 2 CFR 200.512(a).

All School Districts / Joint Agreements that have Federal grant expenditures greater than \$750,000 are required to complete the workpapers found in the "Single Audit Workpaper Template" on our website at www.isbe.net/gata or via direct link:

https://www.isbe.net/_layouts/Download.aspx?SourceUrl=https://www.isbe.net/Documents/Single-Audit-Workpapers.xlsx

The Single Audit Workpapers are required to be included with the audit package submitted to the Federal Audit Clearinghouse.

GATA REQUIREMENTS

All School Districts/Joint Agreements must also complete GATA reporting requirements on the GATA Grantee Portal (<https://grants.illinois.gov/portal>)

- 1) Audit Certification Form
- 2) Consolidated Year End Financial Report (with in-relation to opinion)
- 3) Audit Package Submission
- 4) Data Collection Form (NOT REQUIRED FOR SINGLE AUDITS)

Instructions for the Consolidated Year End Financial Report (one of the GATA reporting requirements) are included below, and a full walkthrough of all the GATA reporting requirements can be found on our website (www.isbe.net/gata) OR by double clicking on the picture below.

What is the Consolidated Year End Financial Report?

The Consolidated Year End Financial Report (CYEFR) is a required report prepared by the grantee each year that lists the expenditures for each state, federal pass-through grant during the period covered by the organization's financial statements. The report will also list all other programs and activities of the organization by the source of funding as direct federal funding or all other expenditures. The CYEFR is used to assist in the facilitation of tracing grant expenditures reported expenditures to state agency records and make reconciliations from periodic reporting and year end reporting. **All grantees are required to complete and submit a CYEFR through the grantee portal.**

How do I complete the CYEFR?

Login to the grantee portal at <https://grants.illinois.gov/portal/> and follow the steps shown in ISBE's FY21 Audit Requirements Training to complete the Annual Audit Report Review process. A link to the ISBE FY21 Audit Requirements training can be found to the right of this text box. Additional training materials can be found at <https://www.isbe.net/gata> under the red, "What's New?" banner.

DOUBLE CLICK ON THE PICTURE TO THE RIGHT FOR ISBE'S FY21 AUDIT REQUIREMENTS TRAINING

What is a CYEFR 'In-Relation To' opinion?

An 'In Relation To' Opinion is the auditor's evaluation on whether the information presented on the CYEFR is fairly stated, in all material respects, in relation to the financial statements as a whole. **A CYEFR 'In Relation To' opinion is required for all grantees not subject to an OAG audit that have State and Federal expenditures totaling more than \$300,000 for the audit period.** The CYEFR is not required to be submitted with the AFR. However, the audit package will not be accepted in the GOMB web portal without the CYEFR and accompanying in-relation to opinion. Therefore, it is advisable that the grantee complete the AFR and CYEFR at the same time. **Both the CYEFR and the accompanying 'In-Relation To' opinion must be submitted in Step 3 of the GOMB audit upload.**
